Dear Team Member,

We are excited that you have chosen to join our team! We look forward to sharing in this journey with you and we pray that during your week in Haiti, your heart will be awakened, your mind will be renewed, and your life will be forever changed.

The vision of *A Door To Hope* is to be the living love of Jesus Christ in the country of Haiti as well as in our own lives. We yearn to live out the Gospel by sharing Truth and being the hands and feet that assist in providing love, sustainability, and hope to developing communities.

While in Haiti, you will engage in several different projects that will make a difference on the lives of many. Our *hope* is that this journey will be a time of encouragement for the Haitian community, but also that you, personally, will be challenged and changed far beyond your expectations.

Again, we are so excited about the Lord's work and His plans for this week in Haiti! If you have any questions about the information included in this Team Handbook, please give me a call or send an email any time.

In Christ,

Brent Gambrell

President

PREPARING FOR YOUR TRIP

TRAVEL ARRANGEMENTS

You are responsible for making the reservations for your round-trip airfare from your point of origin to Haiti through Safe Harbors Travel.

We require that all team members use Safe Harbors Travel to book your airfare. Please call (800) 344-5656, as it is required that all team members travel together to the country of Haiti.

We strictly enforce this rule due to travel arrangements in country and for your safety.

On your day of travel, if you should have a travel emergency, please call any of the ADTH team:

Brent Gambrell	(615) 429-4624
Kelly Mills	(615) 403-9581
Ashley Hall	(615) 305-2124

Leave a message with your name and number and a staff member will contact you.

PASSPORTS

A valid passport is required to travel into Haiti.

Your passport must be valid for 6 months after your return date from your trip to Haiti in order to go on this trip.

On the days you are traveling in and out of Haiti, be sure to have your passport with you at all times. If you lose your passport while abroad, report the loss to the nearest U.S. consulate or embassy immediately. You can get a 3-month temporary passport directly from the consulate, but you must fill out a “loss of passport” form, follow the same application procedure and pay the same fees as the original.

We recommend that you make a photocopy of your passport and keep it separate from your passport while traveling in the event that your passport is lost.

U.S. passports are now valid for 10 years from the date of issue. The expired passport itself is not renewable and must be turned in along with your application for a new and valid one. Passport renewal can be done by mail, but anyone applying for the first time or anyone under the age of 18 renewing a passport must do so in person.

For more information, such as application forms and pricing, call the Washington Passport and Visa Service at (800) 272-7776 or go to www.wpvs.com. You can also find information at the US Department of State website, www.travel.state.gov/passport.

HEALTH & IMMUNIZATIONS

A Door To Hope requires a current tetanus booster. We encourage all team members to consult a physician before traveling outside the country. We recommend that you follow your physician's recommendations regarding immunizations and malaria medication.

TRIP MEDICAL INSURANCE

A Door To Hope covers all mission team members with trip insurance. The cost of insurance is included in the fee for the trip. LUGGAGE

CHECKING LUGGAGE

DO NOT check bags as a group! It is imperative that you control your own luggage as you will be asked to account for your personal checked bags when exiting the airport.

CLAIMING LUGGAGE

Claim your luggage at the luggage carousel. When traveling with a team, it will take a united effort to identify everyone's luggage.

If you choose to allow a porter to help you with your luggage, then expect to pay the porter for his help. If you do not want assistance, you may simply tell the porter "Non mesi" ("no thank you" in Haitian).

We recommend you place your personal luggage tag on each piece of luggage for easy identification. It is also helpful to place several strips of brightly colored duct tape on your bags to make them easier to spot.

Before you exit the airport, your team leader will collect your airline luggage claim tickets to turn in to the customs agent.

LOST LUGGAGE

If you do not receive all luggage, hold on to your luggage claim tickets and notify your team leader. You will need to fill out a lost luggage report before leaving the baggage area. At the far end of the baggage claim area is a counter for claims. An airline representative will give you a lost baggage report form.

TRANSPORTATION

FROM THE AIRPORT TO THE GUEST HOUSE

Upon leaving the airport, you will be approached by people asking to assist you with your luggage. Tell everyone, “No, mesi.” The team leader has already made arrangements for help with your luggage and will lead you to the bus/van. Upon arriving at the bus/van, we suggest that the majority of the group get on the bus/van right away with their backpacks.

The ride from the airport to the Guest House can take anywhere from 1-4 hours depending on location and traffic. Please utilize the restroom before leaving the Port-au-Prince airport as we will not be able to stop en route. We recommend that you fill your water bottles with fresh water at the Miami airport. PLEASE refrain from taking any obvious and direct photography of the people through Port-au-Prince. We understand that during this ride you will want to capture photos, but it is also very important to understand that photography of citizens can be VERY offensive and can, oftentimes, create conflict. We will have many opportunities to take photos during the rest of our stay. PLEASE be respectful of the culture and aware of the safety of the team.

WHILE IN HAITI

- Never walk around barefoot.
- Stay out of direct sun for long periods of time. Wear adequate sun block.
- Do not touch open sores of sick children but remember that [hugs go a long way!](#)
